Membership Survey

The Steering Committee would like to thank you for your interest in Single Vision. To help in serving your needs and others in the group, we would like to find out more about you.

Would you be interested in hosting an event of one of the items listed above? YES ___ NO ___

SV is managed by a volunteer Steering Committee, but this group's vitality depends on you, *the member*. The group is dependent upon its members to submit and host events. Everyone has some fun activities they like to do, and odds are that other members would enjoy them, too. As an incentive for every event that you host, you will receive \$5.00 towards next year's membership. If you are not comfortable with hosting an event, please consider participating in one or more of the other areas listed below.

I would be interested in helping Single Vision in the following ways this year:
